Dear Vermont Business Person;

Through varied experiences as adoptees, foster or adoptive parents, working with and for the Vermont Department of Children and Families (DCF,) the board of Amy's Armoire has identified significant gaps in the foster care system that can benefit greatly from community assistance. In too many instances, foster children need to move because family support is inadequate. We founded Amy's Armoire as a non-profit charitable organization whose mission is to improve the outcomes for Vermont foster/adopted children. The hub of our program is a thrift store operated by volunteers: 100% of net proceeds will help foster/adoptive/kin families in crisis and fund programs that assist parents in recovery. The store is open 6 days a week.

Nationally an estimated 30-50% of foster parents quit within the first year due to these deficits in the foster care system. We strive to build supports for foster/adoptive families to reduce this trend by also functioning as a resource, information and networking organization which can then collaborate with Family Services for needed system improvements. We ask you to partner with us to create a benefits package for Vermont Foster/Kin/DCF-FS adoptive families. Parents will register on our website to be verified and will be issued an ID card with our logo for verification. In turn, in appreciation of your support, we will post your business name, link or e-mail on our website and our Facebook page as a sponsor in this mission. Please take a moment to indicate your interest in participation in Amy's Armoire Discount Program.

Sincerely,
Amy Anderson
